A master's degree (from Latin magister) is an academic degree awarded by universities or colleges upon completion of a course of study demonstrating mastery or a high-order overview of a specific field of study or area of professional practice. A master's degree normally requires previous study at the bachelor's level, either as a separate degree or as part of an integrated course.

IT CAN BE A LITTLE INTIMIDATING walking into a church for the first time. Or maybe it's just been a long time (like 30 years ago when your mom dragged you to Sunday School). A lot has changed

since then. The songs are singable, the sermon understandable, and you don't need to come in a suit.
