A Little Bit In Love

I'm a little bit in love Never felt this way before Just a little bit in love Or perhaps a little bit more.
When he looks at me Every thing's hazy and all out of focus When he touches me I'm in the spell of
a strange hocus-pocus. It's so, I don't know I'm so, I don't know I don't know but I know If it's love
then it's lovely
