Discourse on Colonialism Analysis - eNotes.com

Colonialism is the policy of a nation seeking to extend or retain its authority over other people or territories, generally with the aim of opening trade opportunities. The colonizing country seeks to benefit from the colonized country or land mass. In the process, colonizers imposed their religion, economics, and medicinal practices on the natives.

Colonialism - Wikipedia

Colonialism is the extension of a nation's sovereignty over territory beyond its borders by the establishment of either settler colonies or administrative dependencies in which indigenous populations are directly ruled or displaced. Colonizing nations generally dominate the resources, labor, and markets of the colonial territory, and may also impose socio-cultural, religious and linguistic ...

Les études postcoloniales (de l'anglais postcolonial studies), plus connues sous le terme de postcolonialisme, sont l'étude des théories postcolonialistes qui naissent dans les années 1980 (aux États-Unis, bien plus tard en Europe) au sein du discours postmoderne, en réaction à l'héritage culturel laissé par la colonisation. Les théories postcolonialistes sont plus qu'une simple ...

Le colonialisme est une doctrine ou une idéologie justifiant la colonisation entendue comme l'extension de la souveraineté d'un État sur des territoires situés en dehors de ses frontières nationales [1], [2]. La notion intellectuelle du colonialisme est cependant souvent confondue avec la pratique même de la colonisation étant donné que l'extension de sa souveraineté par un État ...

Years ago, the late economist and social thinker Lloyd Best pondered over the question of how does one save a culture from itself. This is a question we have not collectively dealt with as we continue to entangle ourselves more and more in the destructive aspects of this culture that we're partly ...

When we engage W.E.B. Du Bois's work and thought to extract useful insights and develop intellectual and social initiatives based on these, we unavoidably must deal with his concept of the color line and the role he assigned it in African and human history (Butler, 2000; Fontenot, 2001; Juguo, 2001; Rabaka, 2001). The concept of the color-line refers essentially to the role of race and ...

AbstractFrom a theoretical standpoint, the paper challenges the existing unfair representation of knowledge systems in the African university. We argue that the continued domination of Eurocentric epistemology in African universities at the expense of African indigenous knowledge systems is unjust. We provide evidence of existing models of knowledge across disciplines with the African ...
