The Whole Book Approach. The Whole Book Approach, developed at The Carle by former museum educator Megan Dowd Lambert, is designed to expand engagement with the picture book as an art form by creating opportunities to discuss how the pictures, design, and production elements of the picture book interact with the text to create an artistic whole.

Florence is a city whose charm and splendid past have remained unaltered. At least, this is how the enchanting Tuscan capital appears - it continues to enchant, by means of its artistic masterpieces, colored marbles and architectural works that evoke the pomp and circumstance that it bore as the leading city that developed the art and culture dictums of the Renaissance.
