The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

Insects can also be grown in small containers, small spaces, modularly, and even vertically in sky scrapers. In fact, insects may be the only animal feasible to farm or produce in mass scale in tall vertical farms in cities, other densely populated areas, or really anywhere vertical farming is desired. Thus, the emerging insect-based food industry could be a great crop for the emerging ...

Preface to the Second Edition. The present edition of this History of Islamic Philosophy, which was first published in 1970, embodies a number of changes which I hope will make this book even more

useful to the reader than the first one. A number of corrections have been made throughout the book, the final chapter expanded somewhat and the bibliography updated and rearranged.
