Poe's Law is often invoked when one cannot tell if an argument being made is satirical or not. In addition to pointing out the necessity of using emoticons or emoji if one wants to mark tone online, Poe's Law is also used to condemn ideas perceived as ridiculous, like those of people who believe Earth is flat. Because Poe's Law was first created during an argument against conservative ...

Sex. Sex is a physical capacity, but its exercise is determined by man's mind—by his choice of values, held consciously or subconsciously. To a rational man, sex is an expression of self-esteem—a celebration of himself and of existence. To the man who lacks self-esteem, sex is an attempt to fake it, to acquire its momentary illusion.

The Republic of Plato is the longest of his works with the exception of the Laws, and is certainly the greatest of them. There are nearer approaches to modern metaphysics in the Philebus and in the Sophist; the Politicus or Statesman is more ideal; the form and institutions of the State are more clearly drawn out in the Laws; as works of art, the Symposium and the Protagoras are of higher ...
