India's telecommunication network is the second largest in the world by number of telephone users (both fixed and mobile phone) with 1.179 billion subscribers as on 31 July 2018. It has one of the lowest call tariffs in the world enabled by mega telecom operators and hyper-competition among them. As on 31 July 2018, India has the world's second-largest Internet user-base with 460.24 million ...
