Hi all, I'm selling my Harley and looking for an R1100RT. Why? I want to ride and carry more than my lunch. I've read every article on the web about the RT and my buddy left me about a years worth of BMW ON before he moved. But I need a broader sense of what I should be looking at when shopping for a used R1100RT. I test rode one at a Honda dealer that wouldn't even idle!
