Book Of Werewolves

I'm looking for a werewolf book, includes gypsies and goes back to the time of Christ.. can't remember the author or name. Lots of detail on how the pack lives, and the transformation. The babies that are born to the pack rarely survive the transformation from human to wolf.

This book is one of the most cited references about werewolves. The Book of the Were-Wolf takes a rationalistic approach to the subject. The book starts off with a straightforward academic review of the literature of shape-shifting; however, starting with Chapter XI, the narrative takes a strange turn into sensationalistic 'true crime'...
