Books Information Is Beautiful

Knowledge is Beautiful. Taking infographics and data-visualisation to the next level, this rich 256-page book visualises captivating and intriguing patterns and connections across art, science, health and pop. Covering everything from dog breeds and movie plots to timelines of the far future and the complexity of relationships of the Middle East,...

Books — Information is Beautiful

Community Reviews. Information is beautiful is dedicated to the Internet and, indeed, almost every page seems to reflect a quintessentially contemporary concern or interest. The book's overarching theme seems to be that information is important because it empowers one to change the world for the better.
