As an auditing partner of amfori, at SGS we can help you to monitor your supply chain against the requirements of the amfori BSCI code of conduct. Effectively, this means monitoring your supply chain's progress in implementing and improving sustainable business practices.

### **amfori BSCI | Sustainability | SGS**

Amfori BSCI unites over 1,000 companies around one common Code of Conduct with the aim to build an ethical supply chain with a step-by-step, development-oriented system. The Amfori BSCI Code of Conduct is built on the most important international conventions protecting workers' rights, notably the International Labour Organization's (ILO) Conventions and recommendations.
