### **"Building Teachers: A Constructivist Approach to ...**

Constructivist teaching methods. Constructivist teaching is based on constructivist learning theory. Constructivist teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. Learners are the makers of meaning and knowledge.

### **Constructivist teaching methods - Wikipedia**

Constructivism Theory of Learning "...knowledge is not simply transmitted from teacher to student, but actively constructed by the mind of the learner." (Taylor and Francis, p 135-136) ... just as a building is constructed, constructivism learning theory states that people construct new knowledge when they learn. And, similar to how a ...

### **Constructivism Theory of Learning - Open Space Education**

environments, the teacher's role, the learner's role, and assessment in the constructivist approach to teaching. Learning Theories This section provides a brief review of behaviorism and cognitivism. It continues with a more detailed review of constructivism, since this learning theory is the foundation for the proposed teaching approach.

### **Cengage Advantage Books: Building Teachers: A ...**

In fact, constructivism is a theory describing how learning happens, regardless of whether learners are using their experiences to understand a lecture or following the instructions for building a model airplane. In both cases, the theory of constructivism suggests that learners construct knowledge out of their experiences.
