DuckDuckGo — Privacy, simplified.

When to call. If your sewer is backed up or slow to drain, your first call should be to the natural gas utility serving the area. Why? There is a possibility that a natural gas pipe could have been inadvertently installed through your sewer pipe and the mechanical equipment used to unclog sewer pipes can penetrate the natural gas pipe and lead to the dangerous release of natural gas.

Call Before You Clear | Call your local utility company ...

Do you know of those people who fly off the handle without stopping to think about the consequences of what they're saying? Someone who just reacts to something someone said or did and starts ...

Your Words Have Impact, So Think Before You Speak

Travel Health Information. Before you leave, it is important to research every country you will visit, and to get advice that is tailored to your health needs. The risk of acquiring an infection and the appropriate preventative measures can be different for older travellers, children, pregnant women or those with underlying chronic diseases.
