Chemistry Cookie Project Chocolate Chip

Chemistry Cookie Project -Chocolate Chip • In this lab you will be converting a recipe from moles to standard cooking measurements and then using that recipe to bake some cookies! • You will need the following tables in order to convert your recipe: Molecular Formula Table Use the following molecular formulas to calculate grams of ingredients.

Chemistry Cookie Project -Chocolate Chip - Yumpu

My project was done on Chocolate Chip Cookies. There are several reasons for why I choose to do chocolate chip cookies, one is because I love chocolate chip cookies, my mom makes the best! And another is because I was curious what happens when we put these little balls of dough in the oven and they come out flat delicious cookies.
