These teaching notes for Fuzzy Mud will help teachers get the most out of this brilliant text from Louis Sachar, for children aged 9-11. These notes provide plenty of activities to get the class excited about the book and encourage debate on the topics contained within, including the ethics of science and bullying - an important PSHE topic.

For many baby boomers, the mention of the word "mimeograph" instantly inspires childhood olfactive memories. Freshly duplicated papers felt cool in the hand as traces of sweet and aromatic ink (which resembled the intermingling of ethyl alcohol and heliotrope flowers) rose above the paper.

Glass Petal Smoke: The Perfume of Mimeographs

Loved this resource - especially name the story and name the character slides. It would make a great activity for children to work on independently if it was made into a worksheet.

Most-Hit On B2W. I ran a round-up of the most popular articles on Bang2write during 2018 at Christmas last year. It was a fascinating list. There were a few surprises, but it was revealed the average Bang2writer is most likely a screenwriter (though the numbers of authors and freelance writers on the site is growing, year on year).
