I have a Clarion RD1 PU-2325A(B) in my Peugeot 206. After disconnecting the battery the radio demands a code. As it's a second hand car i do not have a code. Radio type PU-2325A(B) Radio Serial: CL0410Y0084270 (i've noticed that on other posts people always refer to e serial that starts with C7\*\*\*\*\* and mine begins with CL. Is that a problem?)
