Cleveland Clinic Growth Strategy Case

Today's dynamic markets and technologies have called into question the sustainability of competitive advantage. Under pressure to improve productivity, quality, and speed, managers have embraced tools such as TQM, benchmarking, and reengineering. Dramatic operational improvements have resulted, but rarely have these gains translated into sustainable profitability.

What Is Strategy? - Article - Harvard Business School

Atrial Fibrillation Online Medical Reference - from diagnosis to potential outcomes. Authored by Daniel J. Cantillon MD of the Cleveland Clinic. Atrial fibrillation is the most common sustained tachyarrhythmia. Therapy for atrial fibrillation is centered around three goals: minimize stroke risk, control ventricular rate, and control the atrial rhythm.

ABSTRACT Cutaneous changes may be the first clue that a patient has liver disease. Recognizing these signs is crucial to diagnosing liver conditions early. Here we describe the spectrum of skin manifestations that may be found in various liver diseases.

Recognizing and treating cutaneous signs of liver disease ...

Wave Strategy was started in response to the need for more rapid commercialization in the Healthcare space. Wave primarily focuses on the development of product concepts and early stage technology emanating out of leading medical centers and biotechnology incubators.

Wave Strategy

Although much progress has been made in our understanding of bronchial asthma in recent years, asthma remains a commonly encountered condition that challenges physicians in the office setting as well as in acute care settings. 1-3 Although the 1980s were characterized by increases in asthma morbidity and mortality in the United States, these trends reached a plateau in the 1990s, and asthma ...

When it comes to competition between the public sector and private operators in healthcare, the playing field is seldom even. Interestingly, however, the roles of David and Goliath in this particular matchup are often reversed depending on which country you look at, the extent to which public services are state-funded, and whether legislation is a help or a hindrance.
