India is the world's largest exporter of gherkins, shipping approximately 200,000 metric tonnes, which accounts for 20% of total global gherkin exports.

Gherkins - The Global Green Company

1. Introduction. The invention of the first printing press around the 1440s facilitated rapid reproduction of text and images and dissemination of information. Current printed materials are produced using modern offset printing, which involves employing inks made up of light-sensitive chemicals to transfer text and images to printing papers.

Perspective on 3D printing of separation membranes and ...

Crystal Growth & Design (ACS Publications)

Creationists often argue that evolutionary processes cannot create new information, or that evolution has no practical benefits. This article disproves those claims by describing the explosive growth and widespread applications of genetic algorithms, a computing technique based on principles of biological evolution.

Genetic Algorithms and Evolutionary Computation

In my case, HTTPS protocol was not supported by libcurl at the first place. To find out which protocols are supported and which are not, I checked the curl version using command:

curl : (1) Protocol https not supported or disabled in libcurl
