Convert Spool Request To And

The code below demonstrates how to retrieve a spool request and email it as a PDF document. Please note to process a spool request the program can be executed in background or foreground.

Convert Spool request to PDF and send as e-mail

Hi Kenneth. Yes it is possible. You should be able to do this without any other tools, just plain ABAP code. Basically what we need to do is create a wrapper program, which will SUBMIT your report program, and then take that spool request and convert it to PDF, then show it in an HTML container.

Convert ABAP List to PDF and display without downloading first

Converting an SAP spool file to a PDF form is technically meticulous. The average person would have trouble understanding the computer language spoken to provide commands for the task. Luckily, the RSTXPDMFT4 guides us through the process easily. SAP files are digital media mainly associated with "Album Plus." ...

How to Convert an SAP to a PDF | It Still Works

Hello Jean-Claude, actually there is a possibility to use "normal" SAP backend printers to print PDF files from SAP spooler. The prerequisite for this is that these printers are attached to SAP backend appserver via a Windows print server which runs the SAPSprint print service software (i.e. you need to print via the SAPSprint service, not directly to the printer).
