Is it reasonable to speak of 'the' purchasing strategy, or do different hierarchical levels of analysis need to be distinguished? A fragmented research field and a diverse set of understandings (including misunderstandings) of the scope of strategy development at various levels of analysis make a thorough discussion among researchers and practitioners difficult.

Purchasing strategy development: A multi-level review ...

Strategy is essentially a matter of common sense. At its most basic, strategy is simply a matter of figuring out what we need to achieve, determining the best way to use the resources at our disposal to achieve it, then executing the plan.
