This may be the most amazing true-life documentary I've ever seen. If it wasn't all true, I'd never believe it. Who would? This is an insane "love story," and it really happened.

It's crazy, if you think about it. The God of the universe loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. God is calling you to a passionate love relationship with Himself.
