She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with his work.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom goes by, and Tom tries to get him to do some of the whitewashing in return for a "white ally," a kind of marble. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.
