D3.js in Action is a great book on D3v4 but, just like Interactive Data Visualization for the Web: An Introduction to Designing with D3, it is not for everyone. Someone looking for a book on D3.js and D3v4 in particular would most likely hesitate between these two options so it's only logical to compare them.

D3.js in Action: Data visualization with JavaScript ...

Technically, (and D3.js in Action is a technical book) the second edition was prompted by a change in D3 from v3 to v4, which represented a host of major changes to D3 in its capabilities and API surface. I agreed to write D3.js in Action originally as a chance to really learn the library and describe it...
