The historiography of the United States refers to the studies, sources, critical methods and interpretations used by scholars to study the history of the United States. While history examines the interplay of events in the past, historiography examines the secondary sources written by historians as books and articles, evaluates the primary sources they use, and provides a critical examination ...

Historiography of the United States - Wikipedia

Cheng-Xiang Wang received the BSc and MEng degrees in Communication and Information Systems from Shandong University, China, in 1997 and 2000, respectively, and the PhD degree in Wireless Communications from Aalborg University, Denmark, in 2004.
