Designing Brand Identity Ebook By

To stand out from the crowd your business needs a great logo. But how do you get there? This guide will show you how to design a logo that's perfect for your brand.

How to design a logo: the ultimate guide - 99designs

It takes something to make a brand for a business. We have it in us, and our clients have time and again reinforced our belief. We understand that we are not just creating a business logo design. or a brochure, but an identity for your business, which will make or break your image online, on your products, packaging, marketing material, and business communications.

Last Update October 5th, 2016. So you want to learn how to make an eBook? I can help you with that. The trusty eBook is still an extremely powerful online format that is only going to get stronger as more people switch to smartphones and reading devices like Kindles.

Make an eBook: How to Easily Create a PDF eBook that Rocks

What a fantastic collection! My favorite of all time, however, is still this one: Michael Beirut on his design process: "When I do a design project, I begin by listening carefully to you as you talk about your problem and read whatever background material I can find that relates to the issues you face.
