But perhaps stemming from the old and flawed assumption that history is only justified as a basis

for theory, he largely sticks to a core of canonic texts, buildings and writers, a fixed repertoire for their analysis, such as proportionally-governed 'traces regulateurs' to compare paintings by Mondrian and Corb, and a view that words, forms and ideas have direct correspondence.

Flawed - definition of flawed by The Free Dictionary

Featured Book. Feminist Dialogues on International Law: Success, Tensions, Futures Gina Heathcote. Reflecting on recent gender law reform within international law, this book examines the nature of feminist interventions to consider what the next phase of feminist approaches to international law might include.
