Free Origami Instructions & Diagrams - Learn How to Make ...

The most important technique that you should remember is the "pocket fold" which will be applied twice to make this boat. The most fascinating feature of this boat is that if you apply the "pocket fold" three times (that is, one more time) , then you can make a smaller size (about 2/3) boat with an identical shape of the original boat.

Origami instructions to learn how to make all models at ...

I searched all over the internet, but could not find a paper dragon that was both easy to make and cool. The nice ones were very difficult and the easy ones were kind of ugly, so I decided to design one myself and I've come away very pleased with it.
