The odds of success are against you, the efforts required to keep your head above water are massive (as is the stress) and at the end of the day, your competition may come out with a better ...

What Separates a Great Leader From a Good One?

Adding scenery. There are three elements of scenery making: form, color, and texture. Let's start with form, the shapes of things. Figures 1 and 2 show two popular techniques and some advantages and disadvantages of each. The versatility and ease of use of extruded foam board has made that method extremely popular with today's modelers, so if you don't have a preference, choose that.
