Effective Public Relations Cutlip Scott

Although the term "public relations" was not yet developed, academics like James E. Grunig and Scott Cutlip identified early forms of public influence and communications management in ancient civilizations.: 41 According to Edward Bernays, one of the pioneers of PR, "The three main elements of public relations are practically as old as society: informing people, persuading people, or ...

History of public relations - Wikipedia

Dr. Berger's article outlines the subject of employee/organizational communication, describing its importance and basic internal communication processes, networks and channels.

Whenever you buy one of my books, join the Habits Academy, or otherwise contribute to my work, 5 percent of the profits are donated to the Against Malaria Foundation (AMF). In fact, thanks to our advertising partners, even a simple act like reading another article helps us contribute more. With each donation, AMF distributes nets to protect children, pregnant mothers, and families from ...

Truly great organizations are crystal clear about where they are going, why they are going there, how they will make the journey, and the rules of the road. The idea of a journey is a good metaphor for the grand task of establishing the destination (and, by definition, direction) and mapping the strategy needed to [...]

Modern day organisations are more dependent on communication to achieve success than ever

before. Rapid development and greater complexity of communication technologies, and the growing importance and popularity of social media, means that organisations can no longer rely on traditional methods alone to engage in effective business communication.
