English Tenses Learning Book In

This book has been written in two languages English as well as Urdu so that a person who is learning English as a second language can understand easily. This book will start from four forms of the verb such as the present, past, past participle and present participle.

English Tenses in Urdu PDF - Complete Book Free Download

The tenses we use to show what time we are talking about are split into the Simple, Continuous and Perfect tenses. In English we use two tenses to talk about the present and six tenses to talk about the past. There are several ways to talk about the future some of which use the present tenses, these are:
