### **Entrepreneurship Book By Robert D**

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit."

Random thought: I'd love it if there was a service where I could subscribe to a reading list each month, specifically for Entrepreneurs. Any suggestions? I'm sure there's an optimized path for learning as a CEO/Entrepreneur, it would be amazing if someone could give you a clear list and order of books to read.
