A mental disorder, also called a mental illness or psychiatric disorder, is a behavioral or mental pattern that causes significant distress or impairment of personal functioning. Such features may be persistent, relapsing and remitting, or occur as a single episode. Many disorders have been described, with signs and symptoms that vary widely between specific disorders.

Way back when I wrote my review of Herbalife, I had no idea it would garner the attention that it did. After Herbalife, I reviewed Isagenix because I received so many emails asking me about the quality of the products. Today, after receiving yet another review request for Advocare, here it is. First of all, I do not advocate meal replacement shakes in general.
