When my husband and I first started building a life together in our 20s, we treated our money the way too many young couples do: We bought what we wanted, made an unenthusiastic effort to save, and crossed our fingers that everything would work out for the best.. Not surprisingly, things didn't always turn out that great.

!Note - The most frequently used English letter is E. The least frequently used is Z. Handwriting. When you write in English you can print out your letters one at a time, which is easy to read, but can be slow, or you can use "joined up writing", also called "cursive script", which is quicker to write, but can be difficult to read if your handwriting is bad.
