### **First Stitching Sewing Book Embroidery**

Sewing is the craft of fastening or attaching objects using stitches made with a needle and thread. Sewing is one of the oldest of the textile arts, arising in the Paleolithic era. Before the invention of spinning yarn or weaving fabric, archaeologists believe Stone Age people across Europe and Asia sewed fur and skin clothing using bone, antler or ivory needles and "thread" made of various ...

The only gathering process I knew of was to baste two rows of stitching and then pull the ends, hoping you could spread the gathers evenly. After reading Nancy's 10 different suggestions, I think my favorite is #8, pulling up the bobbin thread and then sewing a long stitch over it to pull the gathers together.
