Structure of *The Sentry*. *The Sentry* is an account of a single event, the effect on the man involved

and on his comrades. Over 37 lines Owen writes a report of the setting, the events and the outcomes. In two stanzas of uneven length Owen portrays the drama of the whizz-bang attack, the man's blinding and his false hope.

Opinions differ over the matter of what is "the best" crime novel by Fredric Brown (1906-1972). Some people say The Fabulous Clipjoint, some Night of the Jabberwock, some say The Screaming Mimi, some The Far Cry, some yet something else. Me, I'm a Far Cry man. In the 1990s Vintage's excellent Black Lizard imprint reprinted some Fredric Brown titles, including The Far Cry, but it has since let ...

### **Far Cry Man: The Far Cry (1951), by Fredric Brown**

Fredric Brown wrote excellent mystery novels (try Night of the Jabberwock, for example), a few good horror stories (the title story in the collection Come And Go Mad and Other Stories is a classic), and a lot of science fiction, a field in which he specialized in what we today call "Flash Fiction"-- very short stories with surprising, often ...
