Free The Economist 3 June

Ana Lankes is an assistant news editor at The Economist and works on the paper's Open Future initiative. Before joining the paper, she was an intern at the BBC, the Global Public Policy Institute and Global Witness, a transparency organisation.

Debates

An economist is a practitioner in the social science discipline of economics.. The individual may also study, develop, and apply theories and concepts from economics and write about economic policy. Within this field there are many sub-fields, ranging from the broad philosophical theories to the focused study of minutiae within specific markets, macroeconomic analysis, microeconomic analysis or ...

Pakistan & Gulf Economist is a weekly business magazine published from Karachi covering the business community, stock exchanges, economy of Pakistan & Gulf.

Pakistan & Gulf Economist (Business Weekly Magazine)

Economics (/ ɛ k ə ' n ɒ m i k s, i: k ə -/) is the social science that studies the production, distribution, and consumption of goods and services.. Economics focuses on the behaviour and interactions of economic agents and how economies work. Microeconomics analyzes basic elements in the economy, including individual agents and markets, their interactions, and the outcomes of interactions.

In brief. The ruling Human Rights Protection Party holds 47 out of 50 seats in parliament and therefore dominates the political scene. The key challenge for the government is to bring the public finances under control while boosting economic growth and eventually weaning Samoa off overseas assistance.
