The Size of The Fish is Super Important. When considering fish for your 5-gallon tank, the first thing to think about is the size of your fish. Just because a fish can fit in a 5-gallon tank, it doesn't necessarily mean it will suit their individual needs.

Best Fish for a 5 Gallon Tank - Perfectly Suited to Small ...

The Blue Acara *Aequidens pulcher* has been a cichlid of choice for many years for the South American cichlid aquarium. Its species term *pulcher* means "beautiful", and true to its name it is a

beautiful medium sized fish cichlid. Its color is mostly a steel blue-gray, but it is distinguished from other Acara species by a broader forehead.
