Graduates with an overall grade point average (GPA) of 65 per cent or more may be considered for admission. Graduates may then complete the degree with the equivalent of six semesters of full-time study plus a paid work term.

Hospitality - Event Management - Humber College

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...

About us | Constance Hotels & Resorts

Definition and brief explanation. Market segmentation is the process of dividing up mass markets into groups with similar needs and wants. The rationale for market segmentation is that in order to achieve competitive advantage and superior performance, firms should: "(1) identify segments of industry demand, (2) target specific segments of demand, and (3) develop specific 'marketing mixes' for ...
