Impact Investing Ascent Private Capital

Impact Investing. Impact investors embrace acting today, rather than waiting for a passing of generations to establish the pool of capital targeted for impact. The traditional model says to accumulate wealth while you're alive, and then the money you leave behind can be used to make an impact.

Impact Investing - Ascent Private Capital Management

Debunking the Myths of Impact Investing. Impact Investing: Finding the Clear Path. Ascent Private Capital Management of U.S. Bank provides wealth management services to individuals and families of significant resources who aspire to make a positive and lasting impact on their communities and the world.

Impact Investing: Positively Addressing Challenges While ...

Impact investing — the strategy of investing in companies with the intent of bettering the environment and society while still earning a market rate-of-return — gained momentum in 2017 amid rising investor interest and high-profile opportunities from the likes of alternative-investment firms TPG and Bain Capital Management. TPG raised \$2 billion...
