Chickens and Pots. Although many of the stories in the Panchatantra are about animals, there are also tales about humans in this collection. One of them, for example, is known as 'The Broken Pot', in which a Brahmin dreams about all the wonderful things that he could get with the excess rice gruel that he had acquired.

The Cracked Pot. A water bearer in India had two large pots, each hung on each end of a pole which

he carried across his neck. One of the pots had a crack in it, and while the other pot was perfect and always delivered a full portion of water at the end of the long walk from the stream to the master's house, the cracked pot arrived only half full.
