Iron Kingdoms Full Metal Fantasy

Iron Kingdoms is a fantasy role-playing game, originally published by Privateer Press on July 1, 2004, for the d20 System, with several supplemental books released in following years. In 2012, Iron Kingdoms was newly released under a unique d6 rules system closely based on the rules for the miniature war games Warmachine and Hordes from which the Iron Kingdoms RPG is derived.

The Fantasy Trip RPG: Legacy Edition (New Arrival)

Chinese "charms", as a form independent of coins, did not really appear until the Han Dynasty. But, even some of the earliest forms of metal money such as spades and knives had charm-like qualities in that they had "auspicious" or "good luck" characters and inscriptions.

Arguably Berserk goes from Low Fantasy to a heroic but dark fantasy at the end of the Golden Age arc where all the demons start coming out and become the main source of conflict.. Or it was Heroic Fantasy all along without the characters noticing. After all Zodd the Immortal didn't exactly keep his existence a secret.; Black Clover.The setting we're introduced to is relatively peaceful, thanks ...
