When you are demand-oriented, you see everything as a demand placed on you—"I must do this...I must do that..." The result? You feel stressed and pressurized to perform, meet people's expectations and achieve results. But when you are living under grace, you see the rich supply from God providing whatever you need for your situation despite the demands.

Over-Supplying Grace | Joseph Prince Ministries

I don't believe Joseph Prince was always a heretic; but as he describes in his book, "Destined to Reign", there was a point in his life and ministry where he turned away from the doctrine he had originally believed and taught himself. He still today is eloquent, charming, and gifted.
