Management Fundamentals Lussier 5th Edition

Students will be able to access their course eTextbooks or Digital Content on the first day of classes through their online course. However, they are also given the opportunity to Opt-Out of using the Digital Text during the first two weeks of class which will cause them to lose access to the Digital Text. They will then be responsible for obtaining a print copy of the text.

This one-semester Principles of General, Organic, and Biological Chemistry textbook is written with the same student-focused, direct writing style that has been so successful in the Smith: Organic Chemistry and two-semester General, Organic, and Biological Chemistry texts. Janice Smith draws on her extensive teaching background to deliver a student-friendly format-with limited use of text ...
