Well, Andy Weir wanted to be sure that every issue Mark faced was "the most likely problem that he would have". The realistic nature of the whole thing makes us pretty sure early on that our boy isn't gonna stumble upon the big, red "BACK TO EARTH" button and make it back just like that.)

The Martian Summary - Shmoop

Book Review: The Martian by Andy Weir. ... The Martian showcases Weir's ability to ask a magnificent question and then distill the answer into an action-packed novel instead of a drawn-out trilogy.

Book Review: The Martian by Andy Weir - David Fish - Medium

With only meager supplies, he must draw upon his ingenuity, wit and spirit to subsist and find a way to signal to Earth that he is alive. Millions of miles away, NASA and a team of international scientists work tirelessly to bring "the Martian" home, while his crewmates concurrently plot a daring, if not impossible, rescue mission.
