I have had many owners come in with a limping dog and tell me well I gave him some Tylenol. My question always is how much did you give him/her? and did you ever consider that it was not safe to give that to your dog? Acetaminophen as well as other drugs react differently in dogs

Can you give Acetaminophen (Tylenol) to your dog? | e-Vet ...

Pet dogs are like family members, but when it comes to illness and disease, they're like children who cannot talk yet. They know that something is wrong with them, but they're unable to communicate the problem to you. So if you notice them behaving abnormally and out of character, it's best to schedule an immediate
