Mastering Essential Math Skills: Geometry. Master Essential Math Skills Geometry is a great program that only takes 20 minutes a day, enough time for him to be able to understand the concept being taught, do the workpage and even get in a little review! This part of the program does not come with online videos or DVD's that teach the lessons,...

Review: Math Essentials: No-Nonsense Algebra/Geometry

I am very pleased with Richard Fisher's Geometry in his Mastering Essential Math Skills series. The instruction is clear and to the point. The Review Exercises section is an easy way to check if one has learned the previous concepts.
