Message In A Bottle Summary

Message in a Bottle is the second romance novel written by American author Nicholas Sparks. The story, which explores the romance theme of love after grief, is set in the mid-late 1990s, then-contemporary Wilmington, North Carolina. The 1999 film Message in a Bottle produced by and starring Kevin Costner, is based on this novel.

A castaway is a person who is cast adrift or ashore. While the situation usually happens after a shipwreck, some people voluntarily stay behind on a deserted island, either to evade captors or the world in general. A person may also be left ashore as punishment (). The provisions and resources available to castaways may allow them to live on the island until other people arrive to take them off ...

will work fine, too. What will not work is to bind one route to more than one function. What you will see in the browser is what is returned, thus the value given by the return statement. In this example, we need to convert result in to a string by str(), as Bottle expects a string or a list of strings from the return statement. But here, the result of the database query is a list of tuples ...
