Monkey Business Ebook By John

Monkey is a common name that may refer to groups or species of mammals, in part, the simians of infraorder Simiiformes. The term is applied descriptively to groups of primates, such as families of new world monkeys and old world monkeys. Many monkey species are tree-dwelling (), although there are species that live primarily on the ground, such as baboons.

Hans and Margret Rey created many books during their lives together, including Curious George, one of the most treasured classics of all time, as well as other favorites like Spotty and Pretzel. But it was their rambunctious little monkey who became an instantly recognizable icon. After the Reys escaped Paris by bicycle in 1940 carrying the manuscript for the original Curious George, the book ...

II. — THE HOUSE OF THE DEAD. I MUST have closed my eyes involuntarily during the transition for when I opened them I was lying flat on my back gazing up into a brilliant, sun-lit sky, while standing a few feet from me and looking down upon me with the most mystified expression was as strange a looking individual as my eyes ever had rested upon.
