Never-never | Definition of Never-never by Merriam-Webster

"Never Never" I was one of the few not so wowed by the second installment of this series. However, I loved the first book of this three book series. The idea of the story is interesting as are the characters in this series.

Never Never: Part Three (Never Never, #3) by Colleen Hoover

Usage: In informal speech and writing, never can be used instead of not with the simple past tenses of certain verbs for emphasis (I never said that; I never realized how clever he was), but this usage should be avoided in serious writing

Never - definition of never by The Free Dictionary

I will never shop at that store again. I have never seen that happen before. That man has never heard of you. We will never forget what we saw. You never know what you'll find at a flea market. I never meant to hurt you. She never really said that. There is never enough time to finish our work. Never in my whole life have I been so offended! I gave him my business for years and never for one ...

Never | Definition of Never by Merriam-Webster

Some things you can never choose Even if you try, yeah You're banging your head again Cause somebody won't let you in One chance, one love, your chance to let me know. We can't go on just running away If we stay any longer we will surely Never get away. Whoa, anything you want we can make it happen Stand up and turn around Never let them shoot ...
