New American Democracy The 7th

Democracy (Greek: δημοκρατία *dēmokratía*, literally "Rule by 'People'") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...

The American frontier comprises the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with English colonial settlements in the early 17th century and ended with the admission of the last mainland territories as states in 1912. A "frontier" is a zone of contact at the edge of a line of settlement.

The founders of the New England colonies had an entirely different mission from the Jamestown settlers. Although economic prosperity was still a goal of the New England settlers, their true goal was spiritual. Fed up with the ceremonial Church of England, Pilgrims and Puritans sought to recreate society in the manner they believed God truly intended it to be designed.

American literature - American Renaissance: The authors who began to come to prominence in the 1830s and were active until about the end of the Civil War—the humorists, the classic New Englanders, Herman Melville, Walt Whitman, and others—did their work in a new spirit, and their achievements were of a new sort. In part this was because they were in some way influenced by the broadening ...
